## **INDEPENDENT AUDITOR'S REPORT**

To the Board of Directors UOSSM USA Edinburg, Texas

I have audited the accompanying financial statements of UOSSM USA, which comprise the statement of financial position as of December 31, 2021, and the related statement of activities, functional expenses and cash flows for the year ended December 31, 2021, and the related notes to the financial statements.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audits. I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

## Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of UOSSM USA as of December 31, 2021, and the change in its net assets and its cash flows for the year ended December 31, 2021 in accordance with accounting principles generally accepted in the United States of America.

## UOSSM USA NOTES TO FINANCIAL STATEMENTS FOR YEAR ENDED DECEMBER 31, 2021 AND 2020

## 1. GENERAL INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## Organization -

UOSSM USA was incorporated in the State of Texas on January 29, 2015. UOSSM USA is an independent, non-profit humanitarian and medical non- governmental organization, founded to support the health-related needs and well-being of people and communities affected by crises and their aftermath, regardless of nationality, ethnicity, gender, religion or political affiliation.

UOSSM USA is governed by a U.S. National Board of Directors, who work with a network of physicians, health-care professionals and other professionals to fulfill the mission of the Organization: delivering quality medical care and relief to people in need.

UOSSM USA is a member of a larger international umbrella group based in France, the International Union of Medical Care and Relief Organizations (UOSSM), an organization well-known for its long history of extensive medical humanitarian work to support the Syrian people in crisis since 2012. UOSSM USA strives to support the work of UOSSM and empower the local communities and people affected by the ongoing Syrian crisis. UOSSM USA receives the majority of its support from private sources.

Basis of presentation -

The financial statements of UOSSM USA have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

The accompanying financial statements include the financial activities of UOSSM USA during the year ended December 31, 2021 and 2020.

Net assets, revenue, gains, and losses are classified based on the existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

**Net assets without donor restrictions:** Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of UOSSM USA's management and the board of directors.

**Net assets with donor restrictions:** Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of UOSSM USA or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

## 1. GENERAL INFORMATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and cash equivalents -

For the purpose of the statement of cash flows, UOSSM USA considers all demand deposits and highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Advances, grants, and contracts -

Advances, grants, and contracts receivable represent amounts due from funding organizations for reimbursable expenses incurred in accordance with the terms of the agreements. Grants and contracts receivable and advances approximate fair value. The allowance for doubtful accounts is determined based upon an annual review of account balances, including the age of the balance and the historical experience with the donor.

Revenue recognition -

Contributions received are recorded as net assets without donor restrictions or net assets with donor restrictions, depending on the existence and/or nature of any donor-imposed restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the contribution is recognized. All other donor restricted contributions are reported as an increase in net assets with donor restrictions, depending on the nature of restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contract revenue is treated as an exchange transaction, and accordingly, revenue is recognized when benchmarks are met or when qualifying expenditures are incurred; any funds received in advance of achieving benchmarks or incurring qualifying expenditures are recorded as refundable advances.

In-kind contributions -

UOSSM USA receives contributions of donated goods and professional services to further its programs. Contributions of \$103,652 and \$70,470, representing the fair value of these goods and services, have been recorded as revenue and expense in the accompanying financial statements for the year ended December 31, 2021 and 2020.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.
